### **PADDLES BLAZING ASU FACTSHEET / RULES**

- Canoeing and kayaking is run on **Thursday nights** at the Districts' Campsite and 25th Warrington East (St Wilfrid's) Scout Group venue, Church Lane, Grappenhall, Warrington. The venue being in the quaint cobble stone village. Access to the site is down the driveway between the Parr Arms pub and white house which leads down the side of the church graveyard.
- Canoeing starts at 7pm until 9.30pm or earlier if dark, the season finishing when the evening light fails. (In March & April & again September we start at 6.30pm).
- **Please do note there is limited parking at the entrance to the campsite so it maybe easier for parents if older members are dropped off on Church Lane and collected later. Do not drive through the gates onto the campsite park only outside the gates at the bottom of the graveyard if you have to drive down to the site.... Beware of the potholes!** Parents may wish to note there are two excellent hostelrys in the village i.e. the Parr Arms and Rams Head providing good meals and refreshments. Parents must not actually drive through the gates at the bottom of the drive on to the 25<sup>th</sup> / campsite as that has very limited parking. 25<sup>th</sup> Beavers are usually meeting on a Thursday too so respect their use of the site.
- Weekly subs are **£2.50** payable on arrival Award fees and logbook fees are payable separately.
- Bring warm layers and light pumps/trainers to paddle in. When changing please ensure decency is maintained, ideally arrive ready to paddle with dry clothes in your bag. You are advised to shower after canoeing and not to eat until you have washed your hands. Cover open cuts with waterproof plasters. We have access to the changing rooms/toilets in the 25<sup>th</sup> Scout HQ. **We expect no Scouts to enter the building in a dripping wet state.** If you are wet through remove the bulk of wet clothing outside the building. Larking about in changing rooms will not be tolerated and membership can be suspended as a result. Leave them tidy and your kit tidy. Space permitting parents can paddle too. Noise should be kept to a minimum when canoeing or on the campsite – respect our neighbours.
- Please monitor our website at [www.paddlesblazing.com](http://www.paddlesblazing.com) Mark O'Dell Tel: 07977 223626, Mike Hankey 01925 823503, Steve Savage 01925 416658
- New helpers always welcomed.
